1 Litre

indigo
SPECIALTY PRODUCTS

DIRECTIONS FOR USE

- Shake well before each use. For maximum performance, apply at recommended rates followed by a light irrigation to move product into the root zone.
- Keep container closed when not in use.
- Mix in spray tanks with water and agitation.

RECOMMENDED RATES

Situation	Rate	Comments
Soil Treatment – Turf Improved Infiltration Apply to growing mediums in golf greens, tees & surroundings, bowling greens, tennis courts, finely cut fairways and sportsfields and other turf surfaces	750-1L/ha (7.5-10mL per 100m ²)	Apply HydroForce Evolve soil treatment to the entire turf surface, both high and low spots. HydroForce Evolve can be applied at any time, however, for best results HydroForce Evolve should be applied 2-3 times per growing season. It may be applied by any conventional turf spraying method. HydroForce Evolve is compatible with most liquid fertilisers, insecticide and fungicides which are needed to be placed into the soil environment. Light rain or irrigation applied the same day of application will accelerate the product's soil activity.
Golf Course Bunkers – Improved Drainage Rate Apply to sand in bunkers on golf courses for improved drainage		
Soil Treatment – Ornaments Improved Infiltration Apply to ornamental plants growing in poorly drained or compacted soils	150-200mL per 100L of water	HydroForce Evolve can be applied at any time, however, for best results HydroForce Evolve should be applied 2-3 times per growing season. Apply via handgun or knapsack application method. HydroForce Evolve is compatible with most liquid fertilisers, insecticide and fungicides which are needed to be placed into the soil environment. Light rain or irrigation applied the same day of application will accelerate the products soil activity.

COMPATIBILITY: Do not tank mix HydroForce Evolve unless prior use (including a jar test and strip test) has shown the combination physically compatible, effective, and non-injurious under your conditions.

STORAGE AND DISPOSAL: Keep container tightly closed. Store in original container only. Keep away from open flame or intense heat. Keep in a secure storage area. Do not add water to the contents of this container. Triple rinse container, empty rinse water into spray or stock tank. Dispose of empty containers in accordance with local regulations.
