DENIM

Are you sick of standing out like a power ranger but want chainsaw protection that ticks all the safety boxes while still remaining comfortable? Introducing Clogger Denim. Clogger's first chainsaw protective pant designed for a more casual, low key look. Clogger Denims are lightweight at just under 1kg- (Medium) with stretch making them flexible and easy to work in. Available in front protection style only.

CERTIFICATIONS:

Certified by Bureau Veritas NZ Ltd to the Australian and New Zealand standard, AS/NZS 4453.3:1997

FEATURES:

- Uses Clogger's exclusive Arrestex HP chainsaw fabric which is light and breathable with 6 layers of advanced technical chainsaw protection.
- Lightweight design, just under 1kg (Medium).
- Outer is constructed with an advanced stretch-woven fabric made from cotton, nylon and polyester fibers that delivers an extremely high level of durability and light stretch without affecting the structure.
- Classic Denim pockets with 2 front, 2 back.
- An additional zipped phone pocket on the front thigh.
- Opening in hem of both legs for debris removal.
- Wide belt loops to fit a 5cm belt.
- Straight jean cut with regular fit through hip and thigh and straight through the leg.
