FOR BACK PACKS AND HAND APPLICATORS	30 ml / 5 L	

NOT TO BE USED FOR ANY PURPOSE OTHER THAN INDICATED ON THIS LABEL UNLESS
AUTHORISED UNDER APPROPRIATE LEGISLATION.

GENERAL INSTRUCTIONS

A blue liquid marking dye to assist in clearer identification of sprayed areas. A simple and cost effective system to reduce costly problems in over application in all spraying situations.

When used as a colouring agent with white foam markers, foam will become blue in colour to allow clearer identification.

MIXING INSTRUCTIONS

To achieve thorough mixing, premix INDIGO BLUE with water in a ratio of 1:10 before addition to spray tank or knapsack. Add premix solution to spray tank first and follow with other ingredients under agitation.

Wash out all spraying equipment thoroughly after use as product residues can cause discolouration of subsequent sprays.

PO Box 1364, Beenleigh QLD 4207 • Ph: 0402 735 887

STORAGE AND DISPOSAL

KEEP OUT OF REACH OF CHILDREN. Store in the closed, original container in a cool, well-ventilated area. Do not store for prolonged periods in direct sunlight. Triple rinse containers before disposal. Add rinsings to spray tank. DO NOT dispose of undiluted chemicals on site. If recycling, replace cap and return clean containers to recycler or designated collection point. If not recycling, break, crush, or puncture and deliver empty packaging to an approved waste management facility. If an approved waste management facility is not available, bury the empty packaging 500 mm below the surface in a disposal pit specifically marked and set up for this purpose, clear of waterways, desirable vegetation and tree roots, in compliance with relevant local, state or territory government regulations. Do not burn empty containers or product.

PROTECTION OF WILDLIFE, FISH, CRUSTACEA AND THE ENVIRONMENT

DO NOT contaminate streams, rivers or waterways with the chemical or the used containers.

SAFETY DIRECTIONS

DO NOT swallow. Avoid contact with skin or eyes. Wear rubber gloves, overalls and goggles or face shield. Wash hands with soap and water after use.

FIRST AID

If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26. If swallowed, give plenty of water to drink and seek medical assistance. If skin contact occurs, remove contaminated clothing and wash skin thoroughly. If in eyes, hold eyes open and flood with water for at least 15 minutes and see a doctor.

CONDITIONS OF SALE

The use of INDIGO BLUE being beyond the control of the manufacturer, no warranty expressed or implied is given by Indigo regarding its suitability, fitness or efficiency for any purpose for which it is used by the buyer, whether in accordance with the directions or not. Indigo accepts no responsibility for any consequence whatsoever resulting from the use of this product.
