eco-shield[®] ORGANIC* SNAIL & SLUG KILLER

DIRECTIONS FOR USE:

CROP / SITUATION	PEST	RATE	CRITICAL COMMENTS
Cereals, Pulse & Canola	Grey Field Slugs,	5 – 16 kg/ha	For most infestations use the lower rate. For heavy infestations use a higher rate. Do not heap pellets. When applying to crops, ensure pellets do not become lodged in plant foliage. If pest is localised apply only to infected area.
Vegetables	Common Brown Snail,		
Strawberries	Small Brown Snail,		
Citrus	White Snails (Helicoid & Conical),		
Grapes	Slaters (Woodlice)		
Ornamentals			
Alkaloid Poppies			
Pasture, established & seeding, and Turf			
Crop boundaries including road sides, subject to local authority permissions, Environmentally sensitive areas			
Bare ground, including broadacre pre-emergent, pre-establish			

NOT TO BE USED FOR ANY PURPOSE, OR IN ANY MANNER, CONTRARY TO THIS LABEL UNLESS AUTHORISED.

GENERAL INSTRUCTIONS:

eco-shield[®] organic* snail & slug killer is effective at low temperatures, as it does not depend on dehydration for its rapid action. Dead snails will rarely be seen in the open under normal conditions of use, as they usually crawl back to their shelters where they die. Animals and birds may find this bait attractive. This product is mildly acidic and DOES NOT CONTAIN SCHEDULED POISONS such as Metaldehyde or Methiocarb.

This product is designed only for the purpose indicated on the label. Failure to use as directed may be illegal. Use strictly as directed. The vendor may not be liable for loss or damage arising from failure to follow the directions for use.

DO NOT allow animals to feed on a treated area for at least 3 days after application, to allow molluscs to consume bait.

DO NOT place in heaps. Clean up spilled pellets after filling application equipment.

DO NOT contaminate streams, rivers or waterways with the product, or its used packaging.

* Approved as an organic input.

PROTECTIONS: This product is poisonous to crustaceans.

STORAGE AND DISPOSAL: Store in the closed original packaging in a dry, cool, well ventilated area, out of direct sunlight. Store out of reach of children, domestic or farm animals, poultry or ducks. Dispose of packaging carefully. Ensure packaging is empty, clear of waterways, desirable vegetation and tree roots. Empty packaging and product should not be burnt.

SAFETY DIRECTIONS: May irritate the eyes. Avoid contact with eyes. When using the product and loading the product, wear a disposable dust mask covering the mouth and nose. If product gets in eyes, wash out immediately with water. Wash hands after use.

FIRST AID: If poisoning occurs, contact a doctor or Poisons Information Centre. Phone Australia 13 11 26, New Zealand 0800 764 766. **FOR EMERGENCIES ONLY CALL: 1800 220 770 (ALL HOURS).**

APVMA Approval No: 90408/130893
